Are you looking to provide your youth with a fantastic launching pad for planning their transition to adulthood? Mapping the journey beyond foster care is daunting. Today more than ever, if a young person wants to travel successfully (and safely) to life on their own, they need a plan for their trip!

Check out this #YourFutureChallenge (our version of the social media craze!)

What is #YourFutureChallenge?

Based on the social media frenzy (posting a photo of yourself now alongside a 10-year-old photo), FosterClub created the **#YourFutureChallenge One Day Youth Conference**. Your youth will be guided and excited as they journey through the process of developing a team of adult supporters, take inventory of their current assets, identify resources, and map out a plan for challenges after foster care. FosterClub's Youth Conferences are built for youth and powered by youth!

Starting from

\$15,000

all-inclusive for
50 youth and
10 adult supporters

What's included:

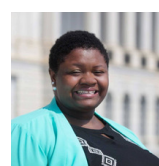

- Planning sessions with your team
- A full day for up to 50 young people and 10 adult supporters

There's still time to reserve a spot on our summer calendar!
