

## #YourFutureChallenge 2019 Agenda

### Event Learning Objectives:

- Provide inspiration and stimulate aspiration! Challenge youth to think/plan for their transition to adulthood
- Connect with Peer Leaders, who provide positive role modeling, and with their peers to promote connectedness and social capital, gain peer support (others with similar experience), build social skills
- Identify resources available to them and understand how the adults participating in the event (and in their circles) can support their transition to adulthood
